

CHALET OAK

The white oil on this single-strip oak floor from the Grande Collection tempers the richness of the wood, balancing the burnished and smoky tones in the timber. The naturally occurring knots and cracks bring added depth to its surface and age the floor for a well-worn and rustic expression. Every board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. Four-sided bevelling at the edges ensures a classic, full plank look and feel. Each board is meticulously hand-scraped, which enhances the appearance of the floor.
