

HARD MAPLE BRUMA

The distinctive grey tones in this single-strip oak floor from the Domani Collection highlight its rustic expression. Knots and cracks pepper the boards, resulting in a beautifully aged effect reminiscent of reclaimed timber. Every board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. Four-sided micro-bevelling at the edges ensures a classic full plank look and feel. Hand-scraping enhances the worn appearance of the floor.
